Non-Responsive Letter

The reply filed on 20 March 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): It does not identify one species for prosecution from each of the seven listed categories set forth in the election requirement. Instead, the response selects one *category* (specifically, the direct communication service category), which itself includes a number of distinct species. If applicants wish to have only the direct communication service category claims examined in this application, claims drawn to the other categories should be canceled such that only the direct communication service category and desired generic claims remain (a copy of all pending claims should accompany applicants' response. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicants are given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
